

## 2019 NYS FUNDERS CONFERENCE EXHIBITOR OPPORTUNITIES

The NYS Funders Conference is the premier biennial gathering of grantmakers, providing educational and networking opportunities to foundation leaders, trustees, and philanthropic advisors funding across New York State.

In 2017, more than 225 philanthropic executives, trustees, and staff representing grantmakers of all size and type, enjoyed three days packed with networking and learning activities. NY Funders Alliance invites you to partner with us for the 2019 Conference scheduled **September 9th-11th at the Hilton in Albany, NY.**

This year's conference offers exhibitors a unique opportunity to connect and gain visibility with many of the leading philanthropic institutions in the state! Our network includes 90 member foundations with over \$8 billion in assets and yearly investments of over \$230 million in New York state. The membership base is made up of 2,000 philanthropically focused individuals and organizations connected through online and print communications. We welcome the opportunity to bring them access to your useful resources, as well as offer you engagement with these valuable connections and their unique and diverse needs.
